

How to make a Sock Snowman

Materials:

pair of socks, crew length, or longer,

rice

rubber bands

googly eyes

bead

glue

buttons,

scrap fabric

1. cut off top of sock from the foot
2. Turn sock inside out and attach a rubber band tightly to top of sock.
3. Then turn the sock right-side out again.
4. Fill sock with rice. Make sure to pack it down!
5. Rubber band the top of sock closed and $\frac{3}{4}$ of way down to make the "neck"
6. Tie a scrap fabric (scarf) around your snowman's neck
7. Glue googly eyes, bead (nose), and buttons
8. Use the top of your cut socks (from step 1) to fashion a stocking cap.

Voila! Snow-free snow man!
