

SURREY'S MOST AFFORDABLE SENIORS' COMMUNITY

FACES^{of} AMENIDA

"What I like most about Amenida is the people. They know what they are doing, keep everything tidy and clean and they're kind and thoughtful. The area is really good for walking alone, with a small dog or nice lady. The food is great with generous portions, and it's very tasty. I have no problem recommending Amenida to anyone, and the price appeals to me."
